Dig Two Graves

ABOUT THE MOVIE:

The story centers on Jacqueline, a 14-year-old girl nicknamed "Jake" by her older brother Sean. After Sean mysteriously disappears at a rock quarry, Jake is visited by three Moonshiners who offer to bring her dead brother back to life in exchange for taking another life. As Jake wrestles with this morally uncertain proposition, the dark history of her family is unearthed and the mystery surrounding the Moonshiners is illuminated.
