

God Knows Where I Am

ABOUT THE MOVIE:

Linda Bishop was a loving mother, a well-educated and happy woman. Then her body was found in an abandoned New Hampshire farmhouse, marked by cold and starvation. What was once Linda Bishop had quickly become a mystery, accompanied by her diary that documents a journey of starvation and the loss of sanity. For nearly four months, Bishop, a prisoner of her own mind, survived on apples and rainwater during one of the coldest winters on record. Waiting for God to save her. As her story unfolds from different perspectives, including her own, we learn the heartbreaking reality about a systemic failure to protect those who cannot protect themselves.
