

House On Willow Street

ABOUT THE MOVIE:

The perfect kidnapping goes gruesomely awry in this shock-a-minute, supernatural wild ride. Led by the tough-as-nails Hazel, a band of desperate criminals abduct Katherine, the daughter of an ultra-wealthy family, for ransom. What the gang doesn't realize is that although they have Katherine's body, her soul is already in possession of a demonic force that's about to turn the tables on them. Cue a cavalcade of carnage, all building up to a totally twisted, off-the-rails finale.
