

# Live Cargo

## **ABOUT THE MOVIE:**

Following a devastating loss, Nadine and Lewis retreat to a small Bahamian island where Nadine's family has kept a house for many years. As they try to heal and move forward with their relationship, the community on the island shows signs of unraveling -- with the island's mayor, Roy, squaring off against Doughboy, a human trafficker who manipulates the impressionable homeless teenager Myron into assisting with his smuggling operation.
